

# Enjoy Being Creative

**We love being creative at Taking Flight Theatre and we love to see you doing the same. Take a look at some of these creative ideas that you may want to use with your class before and after you watch the play.**

### BEFORE THE SHOW:

### Mask

#### Arts and Crafts

Making our masks will be so much fun! But with cutting out, gluing and colouring all involved, it's also great for practising fine motor skills.

### Instruments

#### Literacy Framework

Share activities and information to complete a task.

#### Progression Statements

#### Expressive Arts

I can perform, produce, design, exhibit and share my creative work in a variety of ways for different audiences, inspired by a range of stimuli and experiences.

## Join the Band

This creative task idea is great for preparing the children for the play but also a great opportunity to make their own instrument. Feel free to copy loan's or they can even invent their own!

## Origami

## Paper Animals

A great origami activity, and an introduction to BSL. This activity combines fine motor skills, BSL and fun!

## AFTER THE SHOW:

## Sing-along

## The Stirring Song:

Learn to sing-along with our favourite "The Stirring Song!"

### Literacy

#### Framework

Share activities and information to complete a task.

## Set-

### Build a Mini-Set:

See our set building lesson in the technology pack for a creative chance to build sets just like the ones in the show. The children can plan, make and record their own shows.

## Re-enact

### Role Play and Telling Tales:

Re-enacting tales and telling them in our own way is how storytelling was born. Children love performing and it really helps oracy too. This is also a great opportunity for practising their filming skills too.
